• PROPOSAL BY DR SHYAM VERMA

The following is the proposal for instituting an award for the ' Best Thesis' or an alternative suitable award for a significant academic activity of a resident. I have discussed this with the family and we will be happy to donate Rs.1.5 lakhs towards this activity to acknowledge the good work of the PG student and her/his guide, in that order.

It would like to propose to have a Dr. B.S Verma lecture during Gujarat CUTICONS or at least when it is being hosted by Vadodara. The latter is easy to institute as it is a local decision. Do let me know if you have further ideas/suggestions.
